

THE FORMER GLORY OF THE OLD PHUKET
THPKFG
HALF DAY

OVERVIEW

Phuket is a town with a long and fascinating history, waiting to be explored. Visit a rubber plantation, a vital local industry and learn about the fascinating tapping process. Continue to the island's gibbon rehabilitation centre before sampling locally grown coffee and cashew nuts. In addition, tour the historical Kathu Tin Mine Museum and exquisite Wat Prathong for a complete view of Phuket's local culture.

PROGRAM DETAIL

Drive to a rubber plantation and get an explanation how exactly the rubber is collected from the trees and how rubber is processed. Then visit the gibbon’s rehabilitation project in Tong Sai National Park where a volunteer will lead you around and explain all steps the gibbons go through before being brought back in the jungle. Before continuing, we have a break to taste the traditional Phuket Copi (coffee) with some local specialties. You will have a guided tour through the Kathu Tin Mine Museum to get a glimpse of the former glory of Phuket, its people, its economy and its history. Stop at a cashew nut factory (so you finally discover why cashew nuts are one of the most expensive nuts on earth). Continue to visit Wat Prathong, one of the oldest temples in Phuket giving a deeper insight in Buddhism. It’s the last place to visit today, and together with the guide, you will discover different Buddhist rituals to pray for good luck.
